Region	AA	CFDA	PC	Grant No	Recipient	Award Amount	Project Start	Project End	Description
EPA HQ	OW	66.463	CP	83114001-0	Association of Metro Sewerage Agencies	\$49,950	7/1/2003	3/31/2004	SMALL GRANT- To facilitate a 3-day Workshop to provide informational exchange among national Pre-treatment Program experts via panel presentations, breakout sessions, roundtable discussions, with technical sessions to highlight emerging environmental issues and best approaches for managers to resolve implementation problems.
EPA HQ	ORD	66.511	CR	83106201-0	FINATEC/Universidade of Brasilia	\$58,920	12/1/2003	9/30/2005	To support cooperative research on the impacts of land use change on the functioning soils and watersheds of central Brazil savannas.
EPA HQ	ORD	66.511	CR	83110401-0	American Water Works Association Research Fdn	\$4,843,400	7/1/2003	6/30/2010	Sponsor projects wich provide drinking water community with information on water quality.
EPA HQ	ORD	66.511	CR	83138401-0	University of Georgia Research Foundation Inc	\$60,000	12/1/2003	11/30/2008	To expand the domain of molecular structures, properties and a media addressed by SPARC (SPARC Performs Automated Reasoning in Chemistry) and refine and exhaustively test the capabilities of the current SPARC system.
EPA HQ	ORD	66.511	CR	83143901-0	Michigan Biotechnology Institute	\$436,000	1/1/2004	9/30/2004	To continue the development of two metal treatment technologies: 1) engineered biomaterials consisting of isolated cellular material which can accumulate toxic metals and 2) polymers able to chelate toxic metals from aqueous solutions. This grant will focus on the latter objective.
EPA HQ	ORD	66.511	CR	83145501-0	Lovelace Biomedical & Envir. Res Insti	\$871,900	9/1/2003	8/31/2008	To improve understanding of the relationship between complex mixtures of environmental air pollutants and human health through the creation and analysis of a database developed by conducting identically designed laboratory studies of a small number of highly complex atmospheres having overlapping, but different, compositions.
EPA HQ	ORD	66.511	CR	83155901-0	Water Environment Research Foundation	\$3,874,700	3/1/2003	2/28/2010	Manage water quality research, including wastewater collection and treatment; human health effects; water reuse; beneficial use of biosolids; watershed management; and ecosystem mangement.
EPA HQ	OECA	66.709	EA	83156601-0	Northeast States for Coordinated Air Use Mgmt.	\$306,500	1/1/2004	12/31/2005	This integrated project will support the efforts of the Oklahoma Department of Environmental Quality (OK DEQ), the New York State Department of Environmental Conservation (NY DEC), and the Northeast States for Coordinated Air Use Management (NESAUM) to incorporate the AFS UI software with their state systems.
EPA HQ	OECA	66.709	EA	83156701-0	NYS Dept of Environmental Conservation	\$73,500	1/1/2004	12/31/2005	SMALL GRANT-This integrated project will support the efforts of the Oklahoma Department of Environmental Quality (OK DEQ), the New York State Department of Environmental Conservation (NY DEC), and the Northeast States for Coordinated Air Use management (NESAUM) to incorporate the AFS UI software with their state systems.

EPA New Grant Awards - 2nd Qtr FY2004

Region	AA	CFDA	PC	Grant No	Recipient	Award Amount	Project Start	Project End	Description
EPA HQ	OECA	66.709	EA	83156801-0	OK Dept of Env Quality	\$35,000	1/1/2004	12/31/2005	SMALL GRANT - To support the efforts of the Oklahoma Department of Environmental Quality (OK DEQ), the New York State Department of Environmental Conservation (NY DEC), and the Northeast States for Coordinated Air Use Management (NESAUM) to incorporate the AFS UI software with their state systems.
EPA HQ	OEI	66.608	OS	83135801-0	Northern Arizona University	\$190,000	8/1/2003	7/31/2005	The goal of the National Environmental Information Exchange Grant Program is to advance the Environmental Information Exchange Network and State and other partners data integration efforts.
EPA HQ	OA	66.611	PI	83146901-0	City of Emeryville	\$100,000	12/1/2003	11/30/2006	SMALL GRANT - To provide methods for reducing impervious surface areas, consolidating and reusing dispersed parking spaces and creating community-supported mixed-use developments on brownfields sites.
EPA HQ	OA	66.611	PI	83150301-0	County of Lancaster	\$100,000	12/1/2003	11/30/2006	This activity helps brownfields communities incorporate smart growth into their planning, revitalization, and/or redevelopment efforts.
EPA HQ	OARM	66.508	Q	83128901-0	Senior Service America Inc.	\$355,000	1/1/2004	1/3/2007	To provide qualified senior workers to assist personnel in the Office of Administration of Resource Management.
EPA HQ	OARM	66.508	Q	83149701-0	Natl Asian Pacific Center for Aging	\$45,000	1/3/2004	1/2/2007	To provide qualified senior workers to assist in Region V offices.
EPA HQ	OARM	66.508	Q	83149801-0	Natl Asian Pacific Center for Aging	\$8,000	4/1/2004	3/31/2007	To provide qualified senior enrollees to the Office of Policy, Economics and Innovation.
EPA HQ	OARM	66.508	Q	83149901-0	National Asian Pacific Center on Aging	\$98,500	2/1/2004	1/31/2007	To hire qualified senior workers to assist personnel in Region X operations.
EPA HQ	OARM	66.508	Q	83150001-0	Natl Asian Pacific Center for Aging	\$16,458	1/2/2004	1/1/2007	To provide qualified senior workers to assist personnel in the Office of the Chief Financial Officer.
EPA HQ	OARM	66.508	Q	83150101-0	Natl Asian Pacific Center for Aging	\$12,000	2/1/2004	1/31/2007	To provide qualified senior workers to assist in the Corvallis Laboratories.
EPA HQ	OARM	66.508	Q	83156901-0	National Caucus & Center on Black Aged Inc	\$360,000	3/1/2004	2/28/2007	To provide qualified senior workers to assist personnel in the NHEERL, Gulf Ecology Division at Gulf Breeze
EPA HQ	OARM	66.508	QS	83153401-0	Natl Asian Pacific Center for Aging	\$80,000	11/10/2003	11/9/2006	To provide qualified senior workers to assist personnel in the National Marine Fisheries/NOAA/DOC.
EPA HQ	ORD	66.509	RD	82902102-0	University of Iowa	\$258,174	10/1/2003	8/26/2006	The objective of this grant is to study the toxicity of a class of polyhalogenated diphenyl ethers in three different vertebrate species and to develop a structure activity relationship model for predicting their toxicity in vertebrates.
EPA HQ	ORD	66.509	RD	83089701-0	Research Foundation of SUNY	\$113,414	1/16/2004	1/15/2007	To make biobased and biodegradable nanocomposites.
EPA HQ	ORD	66.509	RD	83104401-0	Akwesasne Task Force on the Environment	\$450,000	4/1/2004	3/31/2007	To transfer expertise about environmental risk and cultural practices to teachers, students and Haudenosaunee Environmental Task Force (HETF) staff responsible for environmental management through hands-on training sessions and direct interactions.
EPA HQ	ORD	66.509	RD	83104501-0	Mote Marine Laboratory	\$437,399	10/1/2003	9/30/2006	Research to determine the potential adverse effects of the presence of toxic substances to Native populations in the Arctic.

EPA New Grant Awards - 2nd Qtr FY2004

Region	AA	CFDA	PC	Grant No	Recipient	Award Amount	Project Start	Project End	Description
EPA HQ	ORD	66.509	RD	83136401-0	WV University Research Corporation	\$607,566	2/1/2004	1/31/2007	A Hierarchical Classification System for Identifying Restoration Priorities and impact Vulnerability in Mined Watersheds of the Mid-Atlantic Highlands.: The objective of this project is to develop a watershed classification scheme useful for restoring and managing mining-impacted watersheds in the Mid-Atlantic Highlands region.
EPA HQ	ORD	66.509	RD	83136801-0	VA Polytechnic Inst/State University	\$267,767	12/1/2003	11/30/2006	To create a watershed classification system based on clustering statistically derived empirical relationships between watershed attributes and aquatic ecosystem conditions.
EPA HQ	ORD	66.509	RD	83143201-0	The University of Alabama	\$110,166	12/22/2003	12/21/2006	Enabling the Assessment of Ionic Liquids for Clean, Environmentally Benign Technologies
EPA HQ	ORD	66.509	RD	83144901-0	Board of Trustees University of Illinois	\$749,999	2/1/2004	1/31/2007	This project seeks to develop methods and capabilities to produce future emissions out to 2100 for regional climate and air quality modeling, and to develop an approach for extending coverage to all regions of the nation.
EPA HQ	ORD	66.509	RD	83145001-0	Resources for the Future Inc.	\$748,693	1/12/2004	1/11/2007	The aim of the proposed research is to create a flexible modeling framework to estimate long-term mobile source emissions in a metropolitan region, a framework that reflects the importance of geographic specificity, technological change, and especially behavioral adjustments by consumers.
EPA HQ	ORD	66.509	RD	83145201-0	University of Texas at Austin	\$750,000	11/1/2003	10/31/2006	To integrate biogenic emissions modeling with land-surface biophysical and hydrological modeling into a regional climate model; quantify the direct & indirect effect of climate change on biogenic emissions; and to investigate the potential impacts of changes in the physical climate, land cover patterns, and BVOC emissions.
EPA HQ	ORD	66.509	RD	83145301-0	Regents of the University of Colorado	\$611,264	1/1/2004	12/31/2006	Develop new models for the prediction of biogenic volatile emissions.
EPA HQ	ORD	66.509	RD	83145701-0	Regents of the University of Michigan	\$111,105	1/1/2004	12/31/2006	To design 100% petroleum-free metalworking fluids with equal or greater performance when compared with traditional metalworking fluids.
EPA HQ	ORD	66.509	RD	83152101-0	Board of Trustees University of Illinois	\$129,596	11/1/2003	10/31/2005	Research on the substitution of petroleum-based lubricants with bio-based lubricants for industrial applications.
EPA HQ	ORD	66.509	RD	83153001-0	Colorado School of Mines	\$112,117	2/1/2004	1/31/2007	Use polyactides so these benign polymers may be used in place of more deleterious plastics.
EPA HQ	ORD	66.509	RD	83153201-0	Auburn University Main Campus	\$65,744	12/29/2003	12/28/2006	To employ the unique thermo-physical properties of CO2 as a solvent in the heterogeneous catalytic generation of H2O2 from H2 and O2 using pladium/platinum supported catalysts.
EPA HQ	ORD	66.607	T	83158601-0	Shaw University	\$196,237	1/1/2004	9/30/2008	Supports training and mentoring of high school students in environmental science.
EPA HQ	OW	66.606	X	83155801-0	University of New Hampshire	\$446,943	10/1/2003	9/30/2005	To continue their mission of facilitating the verification, adoption, and diffusion of appropriate water treatment technologies for small water systems.

EPA New Grant Awards - 2nd Qtr FY2004

Region	AA	CFDA	PC	Grant No	Recipient	Award Amount	Project Start	Project End	Description
EPA HQ	OW	66.606	X	83157301-0	National Council for Science & the Environ.	\$12,500	1/1/2004	9/30/2004	SMALL GRANT - To fund the dissemination of educational and training information from NCSE's January 29-30, 2004 conference on water for a sustainable and secure future.
EPA HQ	OSWER	66.808	X1	83114401-0	Industrial Designers Society of America	\$95,000	4/29/2003	12/31/2006	To minimize the environmental impact of products by empowering, educating, and rewarding industrial designers to consider environmentally responsible options to make informed decisions.
EPA HQ	ORD	66.51	X3	83149001-0	American Society for Microbiology	\$31,200	10/30/2003	10/29/2004	SMALL GRANT- To bring a group of national experts together to discuss how waterborne environmental microbes become pathogens and what risk these microorganisms in water pose to humans.
EPA HQ	ORD	66.51	X3	83153801-0	National Council for Science & the Environ.	\$25,000	1/1/2003	3/31/2004	SMALL GRANT - Support for the 3rd National Conference on Science, Policy and the Environment: Education for a sustainable and secure future.
EPA HQ	OW	66.424	X6	83156201-0	Association of Metro Sewerage Agencies	\$147,000	11/1/2003	10/31/2005	To address the level of awareness within the wastewater treatment community about the potential sources and impacts of biological, chemical, and radiological contaminants from terrorist incidents and the ability of wastewater treatment processes to treat or remove those contaminants should they be introduced into the collection or treatment system.
EPA HQ	OW	66.424	X6	83165501-0	Assoc of Metropolitan Water Agencies	\$2,000,000	1/1/2004	12/31/2004	To support continued operation of the WaterISAC and initiation of an information distribution system (WaterIDS) that will expand the reach of the WATERISAC to thousands of additional drinking and wastewater utilities.
EPA HQ	OW	66.436	X7	83150701-0	The Rensselaerville Institute	\$867,300	2/1/2003	1/31/2006	To build a minimum of 3-30 home demonstration cluster systems in the six counties of the Lower Rio Grande Valley.
EPA HQ	OW	66.436	X7	83153601-0	Center for Watershed Protection Inc.	\$50,000	1/30/2004	1/29/2005	SMALL GRANTS - Final phase of a project to develop a smart growth watershed principle guide.
EPA HQ	OW	66.436	X7	83153701-0	National Onsite Wastewater Recycling Assoc Inc.	\$30,000	12/29/2003	12/28/2004	SMALL GRANT Evaluate and integrate major components of the National Model Performance Code for OWTSS.
EPA HQ	OW	66.436	X7	83156001-0	Conservation Technology Information Center	\$24,951	11/1/2003	10/31/2004	SMALL GRANT - To implement an intensive, 3 day training course designed specifically for watershed coordinators wanting to address natural resource concerns at the local level.
EPA HQ	OW	66.436	X7	83156301-0	VA Polytechnic Inst/State University	\$70,000	5/1/2004	10/31/2005	SMALL GRANT--A study to determine if there are characteristics of TMDLs and/or TMDL implementation plans that increase the chances of follow through leading to the amount of pollutant load reductions called for in a TMDL, leading to achievement of water quality standards.
EPA HQ	OW	66.436	X7	83158301-0	Kenyon College	\$40,145	3/1/2004	2/28/2006	This project will advance the national wetlands program by providing technical guidance for the States on the development of rapid assessment methods for use in wetland monitoring programs.

EPA New Grant Awards - 2nd Qtr FY2004

Region	AA	CFDA	PC	Grant No	Recipient	Award Amount	Project Start	Project End	Description
EPA HQ	OW	66.436	X7	83158901-0	America's Clean Water Foundation	\$25,000	1/6/2004	12/31/2004	SMALL GRANT- To encourage citizens- primarily families, school children, and community groups- to become engaged and informed about water quality by conducting simple monitoring of their local watersheds and water quality information into an international database.
EPA HQ	OW	66.436	X7	83159001-0	Water System Council	\$70,000	4/1/2004	3/31/2005	SMALL GRANT - This project is for the initial planning for the Hydro Express, a traveling, multi-media water education exhibit targeting elementary students.
EPA HQ	OW	66.436	X7	83160201-0	Western Governors' Association	\$22,250	3/1/2004	8/31/2004	Workshop will provide a forum for a diversity of interests to help establish water quality.
EPA HQ	OW	66.436	X7	83163101-0	Conservation Technology Information Center	\$40,882	2/1/2004	12/31/2006	To promote wetland protection through sustainable farming practices, such as no-till farming.
EPA HQ	OW	66.436	X7	83164601-0	Assoc of State & Interstate Water Poll Cntrl Admin	\$206,892	2/19/2004	8/19/2005	To enable the Association of State & Interstate, Water, Pollution Control Administration (ASIWPCA) to provide the planning, support, and facilitation of three regional forums to create and enhance a multi-agency approach to implementation of non point source pollution management measures at the watershed level.
EPA HQ	OPPTS	66.716	X8	83156101-0	Ecological Society of America	\$5,000	1/1/2004	12/31/2004	SMALL GRANT- Production of post-conference proceedings examining invasive plants in natural and managed systems.
EPA HQ	OAR	66.034	XA	83118501-0	Int'l Commission on Radiological Protection	\$25,000	10/1/2003	12/31/2004	SMALL GRANT - To support the travel expenses of non-paid ICRP commission and committee members to attend working meetings where new recommendations of the ICRP are produced.
EPA HQ	OAR	66.034	XA	83142901-0	Golden Gate University School of Law	\$70,000	8/13/2003	6/30/2005	SMALL GRANT - To develop a conference that brings together governmental, community, academic and advocacy groups to discuss emerging issues related to environmental justice in air permitting.
EPA HQ	OAR	66.034	XA	83157001-0	Ecological Farming Association	\$10,750	11/15/2003	4/15/2004	SMALL GRANT - To hold a Strawberry Conference Series and Farm Tour for the south central coast of California growers in the spring of 2004.
EPA HQ	OAR	66.034	XA	83157101-0	Dried Fruit Association of California	\$30,000	1/1/2004	12/31/2004	SMALL GRANT - To help develop alternatives to methyl bromide in the effort to move away from the use of methyl bromide.
EPA HQ	OAR	66.034	XA	83157201-0	American Council for an Energy-Efficient Economy	\$59,957	12/17/2003	12/16/2005	To promote utility policies toward clean combined heat and power (CHP) projects that improve power generation efficiency.
EPA HQ	OAR	66.034	XA	83157401-0	Children's National Medical Center	\$300,000	12/1/2003	11/30/2006	This project will develop and promote effective methods and approaches for pediatric care providers to use in a clinical setting to encourage parents to create a smoke-free environment for their children.
EPA HQ		66.034	XA	83158801-0	Arizona Board of Regents- The Univ of Arizona	\$17,955	3/10/2004	3/9/2005	Small Grant - To help develop alternatives to methyl bromide in the effort to move away from the use of methyl bromide.
EPA HQ	OAR	66.034	XA	83160301-0	Coordinating Research Council Inc.	\$5,000	2/1/2004	9/30/2004	Small Grant - The objective is to provide a forum for the many stakeholders involved in understanding the real world impact of mobile sources and what may be done to improve air quality.

EPA New Grant Awards - 2nd Qtr FY2004

Region	AA	CFDA	PC	Grant No	Recipient	Award Amount	Project Start	Project End	Description
EPA R1	R1	66.811	BF	97100201-0	CT Department of Economic & Community Development	\$434,171	3/15/2004	3/15/2009	Per your application dated February 4, 2004, this cooperative agreement is being awarded to support the capitalize a revolving loan fund to cleanup contaminated property.
EPA R1	R1	66.818	BF	98185601-0	City of Lowell	\$460,000	1/1/2004	12/31/2008	The objective of this project is to award funds to capitalize a revolving loan fund to clean up contaminated properties. This is a Brownfields Transition Cooperative Agreement. The EPA funds for this agreement have come from unspent funds under cooperative agreement number BL981105-01. BL981105-01 will be closed out under separate correspondence.
EPA R1	R1	66.605	BG	97100101-0	Connecticut D.E.P.	\$7,126,633	10/1/2003	9/30/2004	Per your application request dated January 26, 2004, this grant agreement is being funded to support the Multi-media performance partnership grant for the FY 2004 budget period for Connecticut's air, water, waste, and pesticides programs.
EPA R1	R1	66.605	BG	99125702-0	Rhode Island D.E.M.	\$2,138,384	10/1/2003	9/30/2004	This grant is a Performance Partnership Grant for Rhode Island's air, water, waste, and pesticides programs. The PPG is based on the FY2004&2005 Performance Partnership Agreement (PPA).Geographic Area: statewide, multiple watersheds Initial Award.
EPA R1	R1	66.461	CD	98176901-0	Maine Dept. of Inland Fisheries & Wildlife	\$15,000	10/1/2003	8/1/2007	An Investigation of Blandings Turtle Road Mortality and Population Viability in Southern Maine
EPA R1	R1	66.473							
98191601-	Aroostook	\$110,000	10/1/2003	9/30/2004	DITCA with the Maine Tribe for developing cultural uses through a scientific process so that EPA can have the necessary information to review and approve tailored water quality standards when submitted to EPA.				
EPA R1	R1	66.432	F	00147004-0	Connecticut Department of Public Health	\$950,000	10/1/2003	9/30/2004	Per your application request dated October 1, 2003, this grant is being awarded to support the Implementation of the SDWA in Connecticut. Cost share for this program is 25% as set in the SDWA. This is not an energy related program.
EPA R1	R1	66.432	F	00147104-0	Maine D.H.S.	\$660,000	10/1/2003	10/5/2004	Implementation of the Public Water System Supervision Program to provide Safe Drinking Water in the State of Maine
EPA R1	R1	66.468	FS	99125403-0	Connecticut Department of Public Health	\$8,004,100	10/1/2003	9/30/2013	Per your application request dated November 13, 2003, this grant is being awarded to support the Capitalization to the State of Connecticut to fund drinking water infrastructure projects and associated drinking water activities through the Drinking Water State Revolving Loan Fund Program.
EPA R1	R1	66.707	PB	98117603-0	Penobscot Indian Nation	\$65,000	9/1/2003	2/28/2005	Develop and maintain TSCA Title IV Lead Accreditation and Certification Program
EPA R1	R1	66.606	X	98182401-0	Northeast Sustainable Energy Association Inc.	\$5,000	12/1/2003	3/13/2004	The objective of this project is to prepare for an energy (for air and water energy efficiency) conference in March 2004.
EPA R1	R1	66.808	X1	98193101-0	Northeast Waste Mgmt Officials' Assoc	\$100,000	10/1/2003	9/30/2004	Provide support services for program development and implementation.

EPA New Grant Awards - 2nd Qtr FY2004

Region	AA	CFDA	PC	Grant No	Recipient	Award Amount	Project Start	Project End	Description
EPA R1	R1	66.436	X7	97100301-0	New Haven Ecology Project Inc.	\$4,875	7/1/2004	8/31/2004	Per your application request dated February 11, 2004, this grant is being awarded to support the Summer Environmental Youth Program.
EPA R1	R1	66.436	X7	98176001-0	Vermont D.E.C.	\$15,000	3/1/2004	2/28/2005	This project will synthesize regional mercury data into an overall representation of mercury contamination across the northeastern landscape, and conduct GIS-based modeling to predict reductions in landscape-level mercury contamination given various mercury emission reduction scenarios.
EPA R1	R1	66.034	XA	98182301-0	Massachusetts E.O.E.A.	\$6,000	2/10/2004	9/30/2004	For state-wide distribution of anti-idling training video and other anti-idling training materials.
EPA R1	R1	66.034	XA	98188701-0	New Hampshire D.E.S.	\$8,000	3/1/2004	12/31/2004	NH DES will use the grant funds to inventory and identify truck stops in New Hampshire and to develop an outreach plan to distribute materials about the state's anti-idling law and other strategies to reduce emissions at truck stops
EPA R1	R1	66.606	XP	98158901-0	City of Salem	\$65,000	9/1/2003	12/31/2004	Construction of 475' of 8" sewer line
EPA R1	R1	66.606	XP	98160101-0	City of Lawrence	\$99,923	5/1/2004	12/31/2005	The objective of this project is to provide a sewer line replacement and CSO separation work.

The Wisconsin Nonpoint Source Pollution Abatement Program provides financial assistance for watershed project implementation in two ways: Local Assistance Grants (now administered by the Department of Agriculture) and DNR's Nonpoint Source Grants, Targeted Runoff Management Grants, and Urban NPS & Stormwater Grants. Local units of government, including counties and municipalities in the Great Lakes Basin, implement Watershed Projects using Local Assistance Grants while rural and urban landowners and operators install Best Management practices with cost-sharing assistance from Nonpoint Source Grants.
EPA R5	R5	66.801	D	96533301-0	Wisconsin Department of Natural Resources	\$75,000	12/31/2003	3/1/2005	This grant is to evaluate, define and present opportunities to use an Environmental Management System (EMS) to either replace the HW requirements in Ch. NR 600, Wis. Adm. Code, complement the requirements in Ch. NR 600, or provide other tangible benefits to participants and the environment as they relate to the HW requirements in Ch. NR 600. Develop a road map to use an EMS process to address or focus on HW requirements for a TSD. Work with one or two TSDs and use the collected information and road map to implement an EMS to address or focus on the TSD's HW requirements.
